CALLS PEACE FUND CONTRIBUTIONS MEAGER -- Sofia, Izgrev, 15 Dec 50

Contributions collected throughout the country for the International Peace Fund so far have totaled about 100 million leva. This amount is highly inadequate in view of the important objectives of the peace campaign. The meagerness of the collection resulted chiefly from the poor cooperation and negligence of public organizations and committees. The National Committee for Peace should improve its operations, and its appeals to the public must become more effective.
